

Immigration & Global Mobility Services

People Force International provides specialist UK immigration services covering all corporate and individual matters. Our consultants have experience across all business sectors including Banking and Finance, Business Consulting, Information Technology, Social Media, Oil and Gas, Construction and Engineering.

For corporate clients with global reach we offer a complete Global Mobility Solution allowing for the efficient relocation of employees both domestically and globally.

People Force International will also provide full support and general consultancy advice regarding immigration compliance, regulatory processes and best practice. The consequences of not adhering to Home Office policy when employing migrant workers can be severe. People Force International will ensure your HR team are aware of the rules and will deliver full training and support to mitigate the risks involved.

All our advisers are regulated to provide immigration advice and services by the Office of the Immigration Services Commissioner (OISC) as is required by law in the UK unless exempt.
